

PUBLIC STATEMENT

MISUSE OF THE TITLE ENGINEER (ENG.) BY NON-REGISTERED PERSONS.

Engineers Board of Kenya (EBK) is a statutory body established under Section 3(1) of the Engineers Act, 2011. The Board has an overall mandate of registration of engineers and Engineering consulting firms, regulation of engineering, professional services, setting standards, development, and general practice of engineering.

The Board has consistently noted the illegal use of the title of “Engineer” or “Eng.” before persons’ names who are not registered by Engineers Board of Kenya as professional engineers or consulting engineers as provided under section 26 of Engineers Act 2011.

The Engineers Act 2011 prohibits the use of the term “engineer” by unregistered or unlicensed persons. It states in Section 47(2) that ‘A person who, being not registered or licensed under this Act -

- a. wilfully and falsely takes or uses in any way the style or form or title of “engineer” or “engineers” in describing his occupation or his
- b. displays any sign, board, card or other device or uses a prescribed stamp representing or implying that he is an engineer,

commits an offence.

This communication, therefore, serves to bring the above breach of the law to the attention of such persons and the public and direct such persons to cease and desist from impersonating as such therefore misleading the public.

The public is informed that a list of the **Registered Engineers** is annually published in the Kenyan Gazette and can also be accessible from our website **www.ebk.go.ke**.
