Engineers Board of Kenya

January 2025

2025 CPD Calendar of Activities

	Activity	Overview	Mode	PDU	Cost (KES)
10 th	CPD Clinic	Sensitization on 2025 Licensing & Gazettement	Virtual	4	Free
17 th	Artificial Intelligence (AI) in Engineering	Focuses on integrating AI technologies into engineering processes, improving efficiency, decision-making, and innovation in the engineering sector.	Virtual	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
24 th	Presubmission Conference - 3rd Quarter of 2024/2025 FY	Preparation for Professional Examinations	Virtual	4	Free
31 st	Entrepreneurship and Business Management for Engineers	Provides engineers with entrepreneurial skills and business management principles for starting and running successful engineering firms.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500

GE - Graduate Engineers | PE - Professional Engineer | CE - Consulting Engineer | AC - Accredited Checker | NM - Non Member | P - Physical | V - Virtual

 Mandatory Activity

20	21	22	23	24	25	26	27	28	29	30	31									

February 2025

	Activity	Overview	Mode	PDUs	Cost (KES)
7 th	Data Protection and Privacy in Engineering: Compliance and Best Practices	This webinar provides engineers with essential knowledge on data protection regulations, including Kenya's Data Protection Act.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
14 th	Intellectual Property Rights for Engineers: Protecting Innovations and Designs	This webinar focuses on the various forms of intellectual property (IP) such as patents, trademarks, copyrights, and trade secrets, and how they apply to engineering innovations, designs, and products.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
20 th 21 st	Sustainable Construction and Green Engineering	Covers sustainable practices in construction, green building materials, and environmentally friendly engineering methods.	Hybrid	12	GE - 28,000(P), 8,000(V) PE/CE/AC - 28,000(P), 12,000(V) NM - 33,000(P), 12,500(V)
28 th	Breakfast Meeting - Infrastructure Development	This is a thought leadership forum that will bring engineers together to : - - To foster collaboration and knowledge sharing among engineers working in the infrastructure development sector. - To provide a platform for discussing critical issues, challenges, and best practices in infrastructure design, construction, and maintenance. - To network and build professional relationships within the engineering community.	Hybrid	4	GE - 4,000(P), 3,000(V) PE/CE/AC - 4,000(P), 3,000(V) NM - 5,000(P), 3,500(V)
28 th	Wellness & Mental Health	This webinar is specifically designed for engineers to address the unique challenges and stressors they face in their demanding profession.	Webinar	4	Free

GE - Graduate Engineers | PE - Professional Engineer | CE - Consulting Engineer | AC - Accredited Checker | NM - Non Member | P - Physical | V - Virtual

March 2025

	Activity	Overview	Mode	PDUs	Cost (KES)
4 th	World Engineering Day 2025	Organized in collaboration with IEK, Engineers and other stakeholders in the engineering field will come together to commemorate the World Engineering Day.	Hybrid	9	Free
5 th - 7 th	Organizational Strategic Project Management	Designed for: - 1. Senior management (Deputy Director Level, and above) in MDAs – Infrastructure, Energy, Water, Agriculture. 2. Infrastructure CECs in county governments. 3. Chief Officers (Public Works) in county governments 4. Directors, ECFs	Physical	14	TBA *Exclusive of Certification Fees
8 th	Tree Planting Exercise		Physical	10	Free
10 th - 14 th	Training Workshop on Preparation of Professional Examination Reports		Physical	18	TBA
11 th - 12 th	Road Asset Management	Covers strategies for managing road assets, including maintenance, financing, and performance monitoring of road infrastructure.	Physical	14	GE – 40,000(P), 15,000(V) PE/CE/AC – 40,000(P), 15,000(V) NM – 45,000(P), 15,500(V)
14 th	Code of Ethics & Conduct for Engineers <i>*Mandatory</i>	The webinar focuses on ethical principles that guide the engineering profession, including prioritizing public safety, maintaining honesty and integrity, and ensuring professional competence.	Webinar	4	GE – 1,500 PE/CE/AC – 2,000 NM – 2,500
24 th - 28 th	Project Governance Management - Module 1 (35 Hours) <i>*Leads to PMP certification on completion of all modules</i>	Designed for Professionals in tactical level management - MDAs, County Governments, ECFs	Hybrid	20	TBA *Exclusive of Certification Fees

GE - Graduate Engineers | PE - Professional Engineer | CE - Consulting Engineer | AC - Accredited Checker | NM - Non Member | P - Physical | V - Virtual

April 2025

2025 CPD Calendar of Activities

	Activity	Overview	Mode	PDUs	Cost (KES)
4 th	Internet of Things (IoT) in Smart Infrastructure	Explains the application of IoT in smart infrastructure, enabling real-time data collection and improving infrastructure management and maintenance.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
11 th	Presubmission Conference - 4th Quarter of 2024/2025 FY	Preparation for Professional Examinations	Webinar	4	Free
11 th	Writing Winning Proposals	The webinar focuses on essential skills and strategies for writing compelling proposals that win projects. It will cover analyzing RFPs, developing a winning proposal strategy, writing effective technical sections, and crafting competitive budgets.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
14 th 17 th	Project Governance Management - Module 2 (35 Hours) <i>*Leads to PMP certification on</i>	Designed for Professionals in tactical level management - MDAs, County Governments, ECFs	Hybrid	20	TBA *Exclusive of Certification Fees
25 th	Essential Legal Skills for Engineers	The webinar focuses on foundational understanding of key legal concepts relevant to the engineering profession.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
30 th Apr 2 nd May	Engineering Partnerships Convention 2025	Engineering a Digital World	Hybrid	20	60,000 (P) 10,000 (V)

June 2025

2025 CPD Calendar of Activities

	Activity	Overview	Mode	PDUs	Cost (KES)
3 rd - 6 th	Advanced Project Management - Module 2 (35 Hours) <i>*Leads to PMP certification on completion of all modules</i>	Designed for Professionals in operational level management - MDAs, County Governments, ECfs	Hybrid	20	TBA *Exclusive of Certification Fees
13 th	AI for the Built Environment	The webinar focuses on exploring the cutting-edge applications of AI across the construction industry, from initial design to ongoing operations. Participants will learn about AI-powered design tools, construction automation, smart building technologies, and the future of urban planning.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
17 th - 20 th	Pavement Management System (PMS)	Focuses on the design, maintenance, and management of pavement systems, including performance evaluation and cost-effective solutions.	Physical	20	GE - 60,000(P), 25,000(V) PE/CE/AC - 65,000(P), 25,000(V) NM - 70,000(P), 25,500(V)
23 rd - 27 th	Training Workshop on Preparation of Professional Examination Reports		Physical	18	TBA
27 th	Breakfast Meeting - Water, Irrigation and Sanitation	This breakfast meeting aims to bring together professionals and stakeholders from the water, irrigation, and sanitation sectors to foster collaboration, share knowledge, and discuss critical issues facing the industry.	Hybrid	4	GE - 4,000(P), 3,000(V) PE/CE/AC - 4,000(P), 3,000(V) NM - 5,000(P), 3,500(V)
27 th	Wellness & Mental Health	This webinar is specifically designed for engineers to address the unique challenges and stressors they face in their demanding profession.	Webinar	4	Free

July 2025

2025 CPD Calendar of Activities

	Activity	Overview	Mode	PDUs	Cost (KES)
11 th	Strategic Leadership For Engineers	Overtime, engineers advance into leadership positions that require not only technical skills but also leadership skills. This webinar is to enable engineers to advance their careers and take on leadership roles. Participants will learn the essential skills and knowledge to effectively lead engineering teams, drive innovation, and make strategic decisions that align with organizational goals.	Webinar	4	GE - 1,500 PE/CE/AC - 2,000 NM - 2,500
17 th – 18 th	Public-Private Partnerships (PPP) in Infrastructure Projects	Explores the role of public-private partnerships in financing and developing large-scale infrastructure projects.	Hybrid	12	GE - 28,000(P), 8,000(V) PE/CE/AC - 28,000(P), 12,000(V) NM - 33,000(P), 12,500(V)
25 th	Monitoring and Evaluation (M&E) in Engineering Projects	Provides tools and techniques for monitoring and evaluating the performance of engineering projects to ensure successful outcomes.	Hybrid	6	GE - 15,000(P), 4,000(V) PE/CE/AC - 15,000(P), 5,000(V) NM - 20,000(P), 5,500(V)

August 2025

	Activity	Overview	Mode	PDUs	Cost (KES)
7 th 8 th	Financial Management for Non-Finance Professionals *In partnership with ICPAK/ PSASB	Provides financial management skills, including budgeting, financial analysis, and cost control, tailored for non-finance professionals.	Hybrid	12	GE - 28,000(P), 8,000(V) PE/CE/AC - 28,000(P), 12,000(V) NM - 33,000(P), 12,500(V)
11 th 15 nd	Training Workshop on Preparation of Professional Examination Reports		Physical	18	TBA
15 th	Wellness & Mental Health	This webinar is specifically designed for engineers to address the unique challenges and stressors they face in their demanding profession.	Webinar	4	Free
19 th 22 nd	Advanced Claims Management in Construction	Provides skills for managing claims in construction projects, including contractual obligations, delay claims, and dispute resolution.	Physical	20	GE - 60,000(P), 25,000(V) PE/CE/AC - 65,000(P), 25,000(V) NM - 70,000(P), 25,500(V)
29 th	Effective Procurement Management for Engineers: Strategies and Best Practices	This workshop focuses on equipping engineers with the knowledge and skills to manage procurement processes effectively in engineering projects. It covers procurement planning, contract management, supplier selection, risk management, and compliance with procurement laws and regulations. Engineers will also learn how to optimize costs, ensure quality, and maintain project timelines through efficient procurement strategies.	Hybrid	6	GE - 15,000(P), 4,000(V) PE/CE/AC - 15,000(P), 5,000(V) NM - 20,000(P), 5,500(V)

TBD	IEK Convention	TBA	TBA	TBA	TBA
TBD	Empowering women in engineering - workshop (KIM)	This workshop, "Empowering Women in Engineering," is designed to foster professional development, address gender-based challenges, and create a supportive network for women in engineering. Through interactive sessions, keynote addresses, and panel discussions, participants will gain valuable insights into overcoming gender bias, developing leadership skills, building strong professional networks, achieving work-life balance, and finding mentors. This workshop will equip women engineers with the tools and resources they need to thrive in their careers, build confidence, and contribute significantly to the engineering profession.	Physical	12	GE - 28,000(P), 8,000(V) PE/CE/AC - 28,000(P), 12,000(V) NM - 33,000(P), 12,500(V)
